Installation Guidelines

1. Loosen Grub Screw (B) with Hex Key (C) from Mounting Support (A) and remove Ferrule (E).

2. Mark mounting position for single Mounting Support.

3. **Note**: For dual Mounting Support application, ensure that height positions are parallel and Centre to Centre measurements.

4. Drill hole(s) in marked position(s). Insert Hard Wall Anchor (F) or another suitable fastener appropriate to the wall being affixed to.

- **Note**: Use Optional Dress Trim (G) for soft wall fixture.
